

How to get to NOAA HQ

- Take (or transfer to) the Red Line headed towards Wheaton/Glenmont
- Exit the system at the "Silver Spring" Metro station
- The Silver Spring station is literally next door to the NOAA Silver Spring campus. Take the escalator marked "Colesville Road" and proceed to the exit on the south side of the tracks. (i.e. On the side away from the construction).
- Proceed via the plaza between Building #1 and Building #2 to the sidewalk.
- Proceed up the hill past Building #2 until you reach the **large HAND sculpture holding birds** in front of Building #3 this is 1315 East-West Highway, Silver Spring, MD.
- Take any elevator to First Floor.
- Sign in with Security using a valid photo ID. NOAA personnel will be on hand to assist.
- **Meeting is in Room 4527**
- In case of problems, call:
 - Peg Brady – 301-943-5613 or
