

Amnesty Day

*A Domestic and Exotic Pet Outreach and Education Event
Saturday, May 6, 2006 9:00 a.m. -1:00 p.m.
Barnett Park, 4801 West Colonial Drive, Orlando*

- Do you have exotic reptiles, amphibians, birds or fish you are no longer able to keep?
- Do you have questions about exotic fish and wildlife?
- Do you have questions about Orange County's new chaining restrictions and other pet laws?
- Do you know about the Animal Services low cost mobile Spay/Neuter Clinic?

Orange County Animal Services and Florida Fish and Wildlife Conservation Commission want to help citizens follow the law and protect our native fish and wildlife. County and State experts will be available to discuss your pet(s) and state and local laws and regulations.

During this amnesty event, you can bring pets you are unable to care for (no exotic mammals please) without penalty. We will place all healthy animals with area exotic animal expert caregivers.

Get **FREE rabies vaccinations** for your dogs and cats
