

ANSTF Meeting Presentation Information

- 1) Name and affiliation of presenter: Michael Hoff**
- 2) Background information about presentation** (no more than 5 sentences):
 - a. Draft Title of Presentation: “Asian Carp Control Strategy Draft Framework”
 - b. This presentation will update the ANSTF about the Asian Carp Control Strategy Draft Framework, which was developed and is being implemented to prevent establishment of self-sustaining Asian carp populations.
- 3) If the presentation supports a decision, what is the decision point to be considered by the ANSTF?**
 - a. This is an informational agenda item (not a decisional item).
- 4) Does the subject matter relate to an objective(s) identified in the 2007-2012 ANS Strategic Plan? If so, explain.**
 - a. This presentation does not relate directly to ANSTF Objectives, because this Framework is not being developed under the aegis of the ANSTF.
 - b. However, this presentation does address the more general goal (Goal 2) to “Minimize the harmful effects of ANS already introduced into waters of the United States.”
- 5) What is the ANSTF role(s) regarding the subject and decision points?**
 - a. Understand the status of the Framework, and support it as a group and as a collection of entities.
